Map of the study area

The figure consists of several maps and diagrams. The top left map shows the study area in the context of the surrounding region. The top right map shows the study area in the context of the surrounding region. The middle left map shows the study area in the context of the surrounding region. The middle right map shows the study area in the context of the surrounding region. The bottom left map shows the study area in the context of the surrounding region. The bottom right map shows the study area in the context of the surrounding region. The bottom center map shows the study area in the context of the surrounding region.

Legend

The legend describes the symbols used in the maps. It includes symbols for different land use types, such as forest, agriculture, and urban areas. It also includes symbols for different types of roads and boundaries.

Table of data

The table provides quantitative data for the different land use types. It includes columns for the land use type, the area in hectares, and the percentage of the total area.

Land Use Type	Area (ha)	Percentage (%)
Forest	1200	15.0
Agriculture	800	10.0
Urban	500	6.25
Water	300	3.75
Other	200	2.5

LEGENDA
